

Snake Jam

About

Started as a prototype developed during the Toronto Game Jam; the core mechanics were created within 2 days. After finishing development and adding some polish, Snake Jam is now available on Xbox Live Indie Games. So far there has been over 1000 trials and around 100 purchases of Snake Jam.

Desc

This isn't your classical Snake game. This is Snake Jam! Enjoy modern graphics and playful physics. Start off with single player, or challenge up to four of your friends to a game. How much fruit can you eat?!
